

PETER'S PENCE is the name given to the financial support offered by the faithful to the Holy Father as a sign of their sharing in the concern of the Successor of Peter for the many different needs of the Universal Church and for the relief of those most in need.

The practice of providing material support to those charged with preaching the Gospel, thus enabling them to devote themselves completely to their apostolic mission and to care for those in greatest need, is as old as Christianity itself (cf. *Acts* 4:34, 11:29).

By the end of the eighth century the Anglo-Saxons felt so closely linked to the Bishop of Rome that they decided to send a regular annual contribution to the Holy Father. It was thus that the *Denarius Sancti Petri* (Alms of Saint Peter) originated and spread throughout Europe.

At present the collection is taken up throughout the Catholic world either on 29 June, the Solemnity of Saints Peter and Paul, or on the Sunday closest to this Solemnity.

The Obolo di San Pietro, a centuries-old initiative of solidarity, is the economic help offered by the faithful of the whole world directly to the Holy Father to support the Holy See's Works of Charity and the functionalities of the organisms he uses in the exercise of his pastoral ministry at the service of the Universal Church. It is with this spirit of profound and human sharing that the Holy See will welcome every single gift. Sharing of intentions, values and commitment to the most needy to whom each believer is called every day.
