## **The Year of The Word - The God Who Speaks**

**2020** is the 10th anniversary of *Verbum Domini*, Pope Benedict XVI's Apostolic Exhortation on 'The Word of the Lord' and the 1,600 anniversary of St Jerome's death. These dates have inspired the Catholic Bishops' Conference of England and Wales to dedicate 2020 as a year of focus on the Bible and 'The God Who Speaks'.

During the year, the church will be celebrating, living and sharing God's word with an exciting new Scripture initiative. It is an opportunity to enrich current practice and to develop and explore new ways of responding to 'The God who Speaks'.

To help achieve transformation in our hearts and in our communities there will be three themes of **celebrating**, **living** and **sharing** God's word.

Throughout 2020 there will be a range of events, activities and resources to participate in all around the country. The website of the Catholic Bishops of England & Wales has more details:
