ADVENT comes from the Latin word meaning "coming." Jesus is coming, and Advent is intended to be a season of preparation for His arrival. While we typically regard Advent as a joyous season, it is also intended to be a period of preparation, much like Lent. Prayer, penance and fasting are appropriate during this season.

THE ADVENT WREATH, symbolising the coming of Light into the world is clear. The gradual lighting of the candles, one on each Sunday of the Advent season, combined with the liturgical colours of the candles (purple is the penitential colour used during Advent and Lent; rose is a liturgical colour used only on Gaudete Sunday in Advent and Laetare Sunday in Lent) help to symbolize not only our expectation and hope in Our Saviour's first coming into the world, but also in his Second Coming as Judge at the end of the world.

The wreath itself is also symbolic. The circle of evergreen in which the candles are placed represents everlasting life. The seedpods, nuts and cones used to decorate the wreath are symbolic of resurrection, and fruits represent the nourishing fruitfulness of the Christian life.
