SOLEMNITY OF THE IMMACULATE CONCEPTION OF THE

BLESSED VIRGIN MARY

“The most Blessed Virgin Mary was, from the first moment of her conception, by a singular grace and privilege of almighty God and by virtue of the merits of Jesus Christ, Saviour of the human race, preserved immune from all stain of original sin.“

In 1854, Pope Pius IX’s solemn declaration, “Ineffabilis Deus,” clarified with finality the long-held belief of the Church that Mary was conceived free from original sin. Mary was granted this extraordinary privilege because of Her unique role in history as the Mother of God. That is, she received the gift of salvation in Christ from the very moment of her conception.
